Philosophy: *More than a bed and a "Big Book"*

M&R offers a safe and purposeful sober living environment for men needing community support as they continue in recovery from their addictions. M&R balances safety, proactive recovery and life skill plans, a positive atmosphere, new lifestyle training and introduction to the recovery and business community for all members who are willing to apply themselves to recovery in atmosphere of purpose, encouragement and accountability.

Our community *inspires and requires*, supporting men to find a new way, a new life and a new happiness through mentorship, direction and support, accountability and action. M&R is about developing skills and attitudes towards living a purposeful sober life.

We are a house with a large heart and an open mind. M&R is not for everyone. But if our members are willing to show up and go to any lengths, we will as well.

Our Mission

To create an environment where a healthy sober community can grow and nurture individuals who desire a new way of life and to establish an atmosphere of action and recovery so we can be of meaningful service to the Austin community. To provide an environment that perpetuates among our recovery and business family providing opportunities for those caught in the cycle of addiction and unhealthy personal dynamics.

Our Vision

To Co-Create a Community:

- a. Of men and woman who are recovering and have recovered from a seemingly hopeless disease of mind and body.
- b. A community of experience, strength and hope with the primary purpose of staying sober and helping each other to recover in a healthy, supportive and safe environment.
- c. To keep a mindful perspective on developing and supporting a community that perpetuates recovery, love and service.

Structure:

Please contact for detail *Code of Conduct* document outlining specific detailed structure, accountability and responsibility of members.

Programs/Activities:

Active community recovery around the home including Sponsor and Mentor presence, interaction and involvement.

12 Step meeting schedule:

Internal - House meeting Sundays 5:30

On-site AA - Sunday 7:30pm and Wednesday 7:30pm (H&I alternate weeks)
